BASIC RULES TO BE OBSERVED
 Before commencing your project you must make contact with the Conservator (Nigel Fisher) or the Foresters (Nick Ewart and Kevin Crawford) in the Sawmill Yard or by telephone on Oxford 726832 (Office). You should have already liaised with your Departmental Safety Officer

1. Vehicles may not be taken off hard rides without permission of the Foresters.
2. Iron nails may not be used in trees.
3. Dogs are not allowed in the Woods.
4. Completion of your project should be reported to the Conservator. A copy of your project report should also be sent to the Zoology Department Library
5. Any changes or extensions to the project must be reported

Approved (Chairman)
